“ I met Shirley 5years ago when my husband Joe was a resident., It felt as though we knew each other forever, and the strangest thing was I lived in the neighborhood since I was 10, we knew the same people and never once met. So we always had plenty to talk and laugh about.

I was so excited when she told me she was retiring on the 24th of November...we were planing to celebrate after Thanksgiving , but that was not to be.

I will miss her smile her laughter her friendship.

Shirley was always there for me to lend her ear and her shoulder when I needed it .

Thank you Shirley for letting me be YOUR friend, and thank you for just being you. My heart is broken in a million pieces, I will send prayers and butterfly kisses to you, now do me one favor...go find my Joe and give him a hug and a kiss on the cheek for me~~~R.I.P my forever friend 🦋💕

“ To the entire Antico/Ridner Family, I was so saddened to read of Shirley's passing. We grew up together on Hazelhurst Ave., we lost touch over the years. Shirley was always friendly, happy, smiling and very welcoming. She always invited you into her parents home. May the Lord bless you all and give you comfort and peace during this difficult time. Love and hugs, Jean Rosenthal Bianca

“ I worked with Shirley at the nursing home for six years and I ate lunch with her every day. She loved to tell stories about her family. She loved to talk about her young life with her wonderful parents and her sisters and she loved her children and grandchildren so very much. It was clear to me that family was the most important thing in her life! Shirley and Debbie were always attached at the hip at work. They had a one of a kind, very special friendship. I love that after lunch Shirley always had to have something sweet to eat. She had such a sweet tooth, always having a little cookie or candy with a cup of coffee, with cream and lots of sugar of course. She loved Christmas and she loved people. She was such a great person to work with. I will miss her. Rest in peace Shirley.

What a beautiful obituary. The Halpin family was fortunate enough to call her our friend thanks to SPRNC. We will always treasure the time we had with her and the love she gave to our late mom. We will miss her hugs, her care and compassion. God rest her soul and bless those who loved her. We loved her too.

“ Shirley was such a great person to work with. Always so caring and kind to everyone. she was a very special person. I always think of her when getting my flu shot each year, when we get a snow storm, or watching Hallmark movies and hearing Christmas Carols early. Lots of great memories from working with Shirley in the Activity Dept. Her kindness made a difference to many peoples lives. 💕. She will be dearly missed.

“ Shirley,  
You will be so missed.... I watched you grow up, and just loved your smile when,  
Uncle Tuffy would tease you or just look at you.... You always came out with a big smile..  
I don't think you ever got angry..of course as the years went by, we moved to Florida  
So I didn't get to enjoy your kids or the rest of the family. But I still always had you all in my heart. Some kept in touch. Judy and Kim kept me up to date... Your life was cut short and in a quick exit... But only God knows why..... So you R.I.P. Then when you are ready start fluttering around, on your Angel Wings, send us some love from heaven.

Love
