“ *The first time I met you, Stacey, was at Navona with the PTA ladies. You were sweet and charming and I was so glad to meet you. Sometime after that, the Catastrophe Crew (and the Magnificent Moms) was formed, and I will always cherish the wonderful times we had with you and all the boys. You were incredibly strong, kind and loving and I admired your courage more than you ever knew. You were a bright star! To Matt, Ryan and Liam, we are all here for you.*

Matt, Ryan and Liam know that the Kellys (and all of us) are here to help and support you in all ways.*

“ Stacey was greeted by family and friends who loved her and who had gone on before her to greet her into that new Eternal Life. She was wrapped in warm embraces and tears of joy. Stacey graduated from this earthly sphere and there in that state of happiness called Paradise she rests from all troubles and from all care, and sorrow and especially from all pain. Stacy is not far from us. We just cannot see her now, but we feel her loving spirit and are grateful that we have known her and were part of her life.

“ I met Stacey for the first time when she came to our home before Military Ball to take pictures and send the boys off in their limo. Recently, I received a thank you card from her thanking me for hosting the pre-ball party. This gesture truly touched my heart. Few take the time to say 'thank you' the old fashioned way. Stacey you left an imprint on my heart. Rest in peace lovely warrior!

“ Oh Stacey, you fought so hard and for so long - showing your boys the true warrior and light that you are. Working with you at Silhouette was a joy and randomly running into you after that was more of the same. I'll think of you and that contagious smile fondly. Rest in peace, knowing you are loved and admired tremendously.

Stacey dear friend, and neighbor 💔 Our street has lost a shining light 💔 I will miss our hanging out in our neighborhood and our CBA games! I'm so glad that Dominic and Ryan are forever brothers at CBA! 💜💛 You inspired me during my mother's cancer and always asking how she was when you were struggling with your own illness. You are the bravest person I have ever met and smile that was always lifting others up. You are an amazing friend that shall never be forgotten and we will be here always for your family ! 🙏💙
