“ Dear Bob and Family - What a wonderful person Stephanie was. In spite of her illness, she enjoyed life each day which is an inspiration to me as well as many others I'm sure. I will miss her smile, contagious laugh, how she loved to make others laugh, her wisdom, thoughtfulness and caring heart. I just wish that I had kept in touch with her over the years. I guess we all feel there is always tomorrow....I will miss Stephanie and I am so glad to say that she was my friend and I will treasure the memories of the fun times we shared years ago. I didn't know her personally, but I knew how much you loved her by the way you spoke of her at my many visits to NYNEKO Engine. Your strength to get through this difficult time will be your love for her and the support of your family. Again my condolences.
