

Subbarao Kunchala, M.D.

July 1, 1947 - October 4, 2021

Loudonville - Subbarao (Rao or Subbu) Kunchala, M.D., 74, of Loudonville, NY, passed away peacefully on October 4, 2021.

Rao was born on July 1, 1947 to Subbaiah and Guravamma Kunchala in Guntur, India. He went on to attend Guntur Medical College where he met the love of his life, Pratima Kunchala. They were wed in 1971 and moved to the United States. Rao worked as a radiologist in several hospitals but spent many years at Columbia Memorial Hospital in Hudson, NY. He then opened the Valatie Imaging Center with his partners where he practiced until 2016.

Rao enjoyed playing cards, golf and a day at the racetrack. He was an avid follower of politics and the stock market. In retirement he enjoyed spending time with Pratima, many lifelong friends and family. He also enjoyed travel, reading and lovingly watching his grandchildren. Rao was extremely generous of his time and resources and changed the lives of so many people he touched.

Rao is survived by his wife; sons, Kanna (Jill) Kunchala and Suraj (Emily) Kunchala; five grandchildren, Ava, Cora, Lucille, Joshua and Noah; and

brothers, Paramesh (Padmaja) Kunchala and Lakshminarayana Kunchala. He also leaves behind many friends and family around the world. Rao was predeceased by his parents and his brother Ramarao Kunchala.

The family is not holding services at this time.

In lieu of flowers, please consider a donation to the St. Jude Children's Research Hospital, which Rao and Pratima have supported over the years.

“ Pratima, we were deeply saddened to hear of Dr. K's passing and we send along our condolences to you, your sons and their families. I have so many wonderful memories of our years working together in the X-ray Dept. as well as the holiday gatherings we attended outside of the Dept. Though many years have passed since those times, they seem like only yesterday. He was genuinely one of a kind.
