I just recently learned of Sue's passing. I am so sorry. She was a good person that tried to help a lot of people. She was a good friend to me. My heart is broken. I was always hopeful we would see each other again. My condolences to Lily, whom she loved so much, and to the rest of the family. The good is that she has finally found the peace she had been searching for. God bless.

“ Dear Lily, and entire Lydon family, I cannot find the words to express my sincere sympathy. Susan is a long time friend. Would be there if a hurricane didn't shut down airports. Sending long distance hugs and prayers for all. Love you all, Marcy O'Connor 💔

“ It is with great sadness that I learned of Sue's passing today. We were college friends and roommates at Simmons. I have such wonderful memories of all the fun we had, the laughs, living in Jamaica Plain together and will remember her smile and full of life laugh always. Her nickname to us was "Sue Belle" and she will be missed for sure.
I think of her every St Patrick's day, since college, as she always loved the Irish tunes and we'd dance and sing together in true Sue style!
My deepest condolences to daughter Lily and her family. May she rest in the arms of the Angels.

“ *Dearest Lydon family and friends of Sue's, and nursing colleagues, thinking of all of you at this time... met Sue in 1986 at the ACHD/Maternal/Child unit, where we became fast friends. Had some very fun and wonderful times together over many, many years. Will never forget how happy and beautiful Sue was on her wedding day! She loved Lily and being her mom. Told me once, it was the greatest thing that ever happened to her... Will keep you all in my thoughts and prayers. May Sue be resting in eternal peace in her parents, and aunt Anne. Bless each and everyone of you every day. Love Karen Kaczmarek, my dad, my sister Kris. I know my mother, Jean, is waiting her turn for eternal hugs.*
