“ *Judy;
Sorry when I saw you yesterday i didn't know your DAD had passed away or I would said something to you. I really didn't know him but he must have been a great man to have a daughter like you and besides that we both graduated from Siena. Our prayers are with you and the rest of the family.*

“ Although I am unable to attend the calling hours, please accept my heartfelt sympathy on the passing of your father and grandfather. I didn't know him very well, but I can remember being at a few family gatherings many years ago when he told some of those infamous "bad jokes". May your fond memories of him be a comfort to all of you.
