“ Sending love, strength and hugs to our Armao cousins. Theresa was an amazing woman who took the lead in coordinating our large Italian Family. Her love and commitment to family showed in our many family reunions. Our dad would be so proud and grateful to Theresa for coordinating getting the entire family together each year. He would brag about her and how incredibly intelligent she was and how she raised 5 very successful women. Her strength and determination lead her until almost 100 years old! We are so grateful we got to celebrate with her last year on her 99th birthday at the 99 Diner! Hoping now that Theresa has been reunited with her family and friends in heaven and that her legacy continues on. We will miss her contagious smile and her wonderful spirit of family. Love to Rosemary, Kate, Joanne, Lisa and Kippy and the entire family.
