“ I was so sorry to hear about Theresa, she was such a beautiful and caring person, I always looked up to her when we were younger, I wanted to be just like her. I thought she was so beautiful We had such great times at the farm. I remember her covering herself with mud from the pond and chasing us, and I remember her telling me it was safe to walk on the deck (and we know how that turned out) She always had a smile and something good to say. No matter what challenges life threw at her she rose to the occassion and over came it. I will truly miss her.

Love

“ Theresa's family and friends know how long and courageously she worked to improve her well being. All of us who were part of her aquatic exercise group will remember forever her high spirits and determination to overcome obstacles to fulfill her life. Although I am now continuing my work in Colorado, the memories of Theresa will always inspire me to do the best I can to help others in Theresa's name. I do not doubt that she will continue to help me. We ask God to reward such goodness forever. JPM###imported-begin###Jeremiah "Jerry" Maloney###imported-end##
