“ To the Griesau family: *My condolences at the loss of your dear loved one Thomas. Many have found comfort in the promises found in God's word which tells us that "there is going to be a resurrection" - Acts 24:15 and that there will be a time when "the meek will possess the earth and find exquisite delight in the abundance of peace." - Psalms 37:11. What a wonderful hope to look forward to and the thought of a time when we can see our dear loved ones again. May "the God of all comfort" continue to be with you in your time of need.*

“ I worked with Tom at SED and I'm very sorry for your loss. Tom was a valuable part of the IT staff here and will be missed. We used to go walk to the Dunkin Donuts nearby a few times a week and we'd have to stop him from paying for the coffee for everyone every time, he was that generous. As a worker he was conscientious and very organized and liked by everyone he dealt with. We definitely miss him.

“ *Every since I heard the news, I cannot stop thinking about all the fun times we all had together. For a long time, it seemed like our group at Experian was inseperatable ... sometimes I wish it never came to an end. From the guys camping weekends, to dart leagues, to days at the track or endless nights that seemed to go on forever, it was non-stop laughter and good times because of you. I miss you with all my heart Bro! In my thoughts always, you will forever be remembered T-Money!*

“ Tom,
We shared some great times; scouts, school, and a load of laughter. I can't remember a time when I was near you that you didn't have me in tears from laughter You taught me how to play golf; you got me my first job; you are and always will be a great friend. I hope wherever you are that the sun is shining, the breeze blows gently on your back, and that there is peace.
