“ *Tim and I were high school sweethearts. We met again in 2012 55 years later we were going steady. Tim was always easy going and was always smiling. He was so warm and always a gentleman. He introduced me to his grandmother. Tim was taken from us too soon and I will always miss him dearly..*

“ Our heartfelt sympathy goes out to all of Tim's family, but especially to Conor and Emma who he loved very much and of whom he was so proud. We came to know Tim through UConn football. Home game tailgates were especially fun. It was always nice when Tim was able to bring you (though perhaps as children you might have found them boring). We also shared a day or two with Tim at the Saratoga races. One year a horse named Emma's Encore won her race! Tim was loquacious yet intelligent and thoughtful. A conversation with him was an adventure. Once begun, you never knew where it might end up as his scope of interests was broad. We will miss Tim and his random texts that might exhort UConn coaches to smarten up, suggest the football team's next recruit, or comment about current events. We will miss his visits to Connecticut. We will remember his smile and his kind heart.

“ I am so sorry to hear of Tim's passing. He is one of those few people that I remember like it was yesterday, seeing him in the halls at Colonie Central High School. We were good friends, and I recall we were always on the opposite sides of every argument - sports, politics, and otherwise! He always engaged and had a terrific argument from his perspective. When I see someone like Tim pass, someone whose face is so familiar, it's a "jolt" to me ... reminding me of my mortality. Rest in peace, Tim, and may God's face shine upon you, Mike (nickname Roger!), and your mom and dad. We will meet again my friend.

“ I was so sad to hear of Tim's passing this morning. I met Tim in the commercial real estate finance business, where he was a consummate and well-respected professional. I fondly remember going to several 2006 Big East Tournament games with Tim, where we had a blast despite me rooting for Syracuse against his beloved Huskies. We lost touch for a few years, but when I moved to the Capital District in 2017 he was beyond welcoming and I was very grateful to be back in his orbit. Tim had one of the most outgoing, inquisitive, and engaging personalities and he quickly became friends with every stranger in the room. My deepest condolences to his family, Tim was one-of-a-kind and will be missed be all lucky to have known him. - John Freedman

“ I am so sad to learn of Tim's passing. Just over 2 years ago, I was fortunate to reconnect with Tim after not seeing him for close to 40 years. Most recently, I met up with Tim in Saratoga... and given what he was going through, his attitude and resolve were as strong as ever. Tim and I initially met playing on the same baseball team at Our Lady of Mercy. I was the "rookie", and he was one of the "stars". In fact, Tim never stopped reminding me that I was not a very good baseball player :). Back in the day, I knew all the White's...today, my thoughts and prayers go out to all of you.
