“ I was a coworker and friend of Vera's for 20 years while we worked together in the Wadsworth Laboratory at the Empire Plaza in Albany, NY. During that time, we shared many Laughs and meals together. Our favorite restaurant to eat lunch was the nearby Madison Grille, which our entire office staff agreed had the Best pizza in town. Vera was a very kind and generous person and had a great sense and appreciation for humor. It was a Joy to have known her as my coworker and friend. I was very happy to have known Vera and will always remember her.

“ PREFACE OF THE DEAD I
It is truly right and just,
our duty and our salvation,
always and everywhere to give you thanks,
Lord, holy Father, almighty and eternal God,
through Christ our Lord.

In Him the hope of blessed resurrection has dawned,
that those saddened by the certainty of dying
might be consoled by the promise of immortality to come.
Indeed for your faithful, Lord,
life is changed not ended,
and, when this earthly dwelling turns to dust,
an eternal dwelling is made ready for them in heaven.

And so, with Angels and Archangels,
with Thrones and Dominions,
and with all the hosts and Powers of heaven,
we sing the hymn of your glory,
as without end we acclaim: Holy, holy, holy
