“ My time with you was too short. Although, I feel as if I have known you for years and years as Kate and Brian shared so many wonderful memories with me. I'll never forget how hard you made me laugh when I met you for the first time about a year ago. I met you, introduced myself, and gave you a hug. You looked at me and said "I've heard so much about you... not all good you know..." It was the most "real" introduction I have ever been a part of. I knew right then and there I loved you. You will be greatly missed.##imported-begin##Kathy##imported-end##

“ Mom

You will never be gone as long as my memory stays in tact. I can see and hear you asking for kisses from your Great grand children. I can see you nodding off in your easy chair. It is my fortune to be able to bring back these and more.
