“ I met Vic when I began working for the Albany Fire Department in 1978. Being assigned to Ladder 4, "across the floor" from Engine 9, Vic was instrumental in guiding my career from the beginning. The stories Vic told about his childhood with Ken Butler made us laugh until we cried. The evenings at the fire house sitting in the reserve open cab pumper with Vic, Frank, Ken, Dave, Paul and others, talking about everything and nothing seems like only yesterday but was so long ago. Vic was levelheaded, caring, determined and compassionate and a great role model for the officer I hope I turned out to be. The world is a sadder place without him. God bless him and his family.##imported-begin##Hal Siegel##imported-end##

“ To the Rogers family,
We have had the pleasure of knowing Vic for the past 9 years and I can not think of going into your home without him sitting there in his recliner. He was such a wonderful man, so knowledgable, friendly, happy and Haley truly adored him. He was her very 1st "best friend." The way she would giggle around him was so touching. We will never forget him, he made a very positive mark in this world. Our thoughts are with you during this sorrowful time. We are truly sorry for your loss, he was the greatest.
