

Vincent G. Bucher

March 2, 1960 - February 10, 2025

Ballston Spa -It is with great sadness that we announce the passing of Vincent G. Bucher of Ballston Spa, who passed away suddenly on Sunday February 9th at the age of 64. He is survived by his brother Bob (Lisa) and his brother Jerry (Nicole) and many nieces and nephews.

Vince was born and raised in Albany and had an energetic and gregarious personality! He loved his family and spending time with his countless friends. Vince attended Christian Brothers Academy high school and SUNY Plattsburgh. Vince possessed an incredible engineering mind! Always striving to solve mechanical problems, it was that interest that drew him to love and work on cars. At the age of 16, he became an apprentice mechanic at one of Albany's most famous service centers, Boopsie's.

Upon graduation, he wanted to pursue a career in the car business from the sales side. Starting at Albany Dodge, where he was consistently named a top salesperson. Then he quickly rose through the ranks to various finance & sales leadership positions. He had an encyclopedic mind for virtually all mechanical things, especially related to automobiles.

Seeking to elevate and redirect his sales experience, Vince looked to the mortgage business for new challenges. He joined the mortgage finance firm of Statewide Funding and concluded his career with Launch Financial Group

until his passing. There he would also excel as a sales leader. Vince also loved mentoring young people. He was always willing to collaborate and share with coworkers. Vince was dedicated and enjoyed his career until the end.

Vince was known for his broad smile, snappy attire, sense of humor and his love of all social situations. He loved to dine out (Henry's, Ballston Spa, being his favorite) and was also a great cook. Vince was fiercely loyal to the ones he loved. His large personality will be truly missed by all!

We as a family appreciate the broad range of love & support, the family service will be private.

“ *Bob and Jerry, I am so very sorry to hear of Vince's passing. I know you are all heartbroken. We had a fun group out McCormick Rd back in the late 70's. Egads. The fort, the barn, the rail. Yellow Brick Road in October. Very scary! Bach, Belfiore, Bopp, Bucher, Cahill, Kavanaugh, Keegan, Mirabile, Murphy, Musella, Quastal, Sweeney. Please forgive me if I've left obvious members of the group out but let's remember it's been just about 50 yrs! Thank you to Steve for usually coming through to deliver our beer. What would we have done without you? lol So many fun memories. Love you all. Rest in Peace Vince. Take care everyone.*
