

Vincent J. Corrodoire III

October 21, 1978 - October 19, 2018

Esperance, NY-On Friday, October 19th, 2018, Vincent J. Corrodoire III an amazing husband, father of 9, brother, son, and bestfriend passed away peacefully at the age of 39. He stayed very strong for his family who stood by his side through his long fight and battle with cancer.

Vinnie will always be remembered by his Mother, Teresa, bestfriend/wife or his lady Astrid, and his children, Gabrielle(his little lady), Kiera, Skylar, Vincent, Evan, Sophia, Brooklyn, his two wonderful step children Riley, and Conner and his closest friends and family.

Vinnie was an awesome dude, and was always ready to have the best times with his family and friends. He did everything possible to make sure to put his children and wife first and had made sure there were always smiles on their faces. Vinnie accomplished, a lot, in his short life. He was an amazing musician singer/songwriter and played all around the capital district with his band. He earned his Associates degree in Psychology and moved up the ranks, to his goal position, at GE Transportation.

He will forever be missed, but never forgotten. His goal in life was to make a

positive impact in everyone's life that he brushed hands with and he did just that!

Relatives and friends are invited to visit with Vinnie's family at McVeigh Funeral Home, 208 North Allen Street, Albany, NY 12206 on Wednesday, October 24, 2018 4:00 pm to 7:00 pm. A Service will be conducted at 5:00 pm.

The family is establishing an Education Fund for his children and donations can be sent c/o his wife Astrid Iwaniuk, PO Box 261, Esperance, NY 12066.

“Wow, so I've been searching for a song Vince & I did in 2005 in my archives. Went to search my new music today on YouTube. Came across the song and cried at finding it because of it meaning, obviously...later maybe an hour ago literally realized that Vince passed away in 2018 from Cancer and searched and found this page. I just want to send my deepest condolences to the Corrodore family. I remember Vince would sit outside drink, strum his guitar and take requests. My song “Rockstar” which Vince was in my eyes and the eyes of a lot of people he serenaded to and performed in front. I recently moved to Atlanta from Albany to pursue my career in the Arts and was called to many gravesides of musicians passed, including Johnny Cash. I now know that Vince sent me there and shine his light on me from the heavens. As I struggled to begin this message it had become easier with each character because Vince is now smiling saying “I'm sorry dude & wish I could be there.” I lost my aunt to breast cancer in August 2018. I was incarcerated at the time of Vinces passing and am ashamed to say I didn't even know until today when the YouTube page “Vinnie C Tribute” made me seek out what exactly we were a tribute to. I am very blessed to have known Vinnie and shared some of his struggles, heartaches & pains. I will forever dedicate and keep his memories alive and with me in all my endeavors. Rest in Paradise Vinnie and be ready to play for me when I get there. Gone too soon, NEVER TO BE FORGOTTEN. -MillaG
