“ *Moneyless, Pam, Katherine and the rest of GINNY's family, please accept my sincere sympathy on her passing. I worked for years with your dad, Forrest, and got to meet his three lovely daughters during their college years while we were traveling for work. I saw Ginny at his wake. I would love to attend Ginny's services but my own health precludes me from doing that at this time. My prayers are with you all.*

I do not know why spellcheck insists on writing moneyless, but I did not write that. Monelle.

*Dear Kati,
Our hearts are heavy, and we are so saddened for the loss of your Mom.
We are so sorry Kati. Rest assure she is in paradise in Heaven with your Grandparents. And she is an angel with golden wings always watching over you and your family.
She was a beautiful person inside and out. She was a hard working woman that would do anything for you and all her family, and cared so much about her friends, and about the individuals she served in the community. She loved with her whole heart and is loved by all that knew her. She will be greatly missed.
God gained a true angel calling your Mom home. Rest In Peace my dear friend, Ginny until we meet again. Deepest Sympathy,
Penny&Terry Wheeler, Sean Burke, and Berty Brink.*

“ *Kati and family,
I've only known you and your family for seemingly a short while now, but Ginny was a special person, to myself and so many others. She would do absolutely anything for anybody, without even a second thought; she was one of the most giving and loving people I've ever had the pleasure of meeting. Ginny loved her daughter and grandchildren more than life itself, and everyone who knew her knew that to be true! She will be missed by many, but she is at peace now, and is the guiding angel that is watching down and smiling so proudly. Much love and support to your family. 💕*

I am so saddened and shocked to have heard about the passing of Ginny! I worked with Ginny at OPWDD and she was just the nicest, kindest woman who was always willing to help anyone in need. She always talked about her daughter Katie and her grandchildren with a twinkle in her eye; she was so proud of them. She will be missed by so many people and has touched a lot of people's lives with her contagious smile! May her family find comfort in knowing that Heaven has been blessed with truly another angel that will continuously be watching over her family! With a heavy heart, I hope you can all find the strength to get through this very very difficult time in your lives. God Bless You All. Debbie Barry, Lake Luzerne NY (OPWDD)
