

William "Bill" G. Kelly

January 24, 1941 - May 2, 2022

Voorheesville, NY-Son, husband, father and friend William G. Kelly died on May 2, 2022.

Whether in the company of friends, family or someone he just met, Bill always had a story to share often tied into one of life's many lessons. Be rest assured that Bill is telling a story today surrounded by friends and family, and likely with a Guinness in hand.

Son of James and Isabelle, brother to six, Bill brought love, life, laughter to Hamilton Street in Albany, NY. After attending Vincentian Institute, Bill graduated from Siena College in 1962 and served as a member of the U.S. Army National Guard. Bill was employed as a bank examiner for Key Bank prior to becoming an auditor for the NYS Department of Tax and Finance, retiring in 2002. During retirement, you could find Mr. K walking the halls of Guilderland High School monitoring and mentoring the student community.

On July 3, 1965, Bill married the love of his life Ann Mary Glavin of South Main Avenue. Bill & Ann would soon move throughout New York building lasting friendships and their family. From St. James Place to Fresh Meadows and then Syracuse, the Kelly's eventually made Voorheesville their home where they raised their four children. Bill found joy watching his children grow, attending their numerous school activities and sporting events cheering from

the sidelines. Annual camping trips throughout the northeast were highlighted by a broken-down car or a flooded campsite, watching McEnroe beat Borg at Wimbledon or having a child's toy confiscated by the FBI. And of course, the Annual Kelly Picnic! With Ann by his side, Dad's knack for adventure continued throughout retirement traveling to Ireland, Italy, France, Alaska, Bermuda and trips to Disney with the grandchildren.

Bill's strong faith in God led him to volunteer his time and knowledge with special needs children and through the Residents Encounter Christ. Bill was also a trustee for the St. Matthews Parish and a member of the New Scotland Kiwanis and the Ancient Order of Hibernians.

Predeceased by his parents; brother James Kelly; sisters Bernadette (Grogan), Janet (Kerr), Missy (Carroll); sisters-in-law Patricia and Carolyn Kelly; brothers-in-law Charles Biggar & Edward Grogan, Thomas Glavin and Michael Glavin; niece Jennifer Campell and nephews William Carroll and Michael Grogan.

Bill is survived by his wife Ann, daughter Kerry Laberge (Richard), and three sons Bill (Kim), Kevin (Jacy) and Jim (Katelyn). Bill was also a proud Papa to his grandchildren Madeline, Emma, Ryan, Will, Adrienne, Painter, Lucy and Rowan. Bill also leaves his sister Mary Patricia (Biggar) brother John, and brothers-in-law, William Carroll and William Kerr and sister-in-law, Marie Glavin, and many loving nieces, nephews and lifelong friends.

The family would like to thank the rehabilitation team and Guadalupe staff at Our Lady of Mercy Life Center for their outstanding care of Dad during his stay.

Sweet memories of Bill, who I first met when Ann and I were nursing students together at St. Peter's. Ann and I were on the same rotation, and I recall Bill coming down to Harrison in his temperamental VW bug(during our psych rotation) to take us home for a couple of those rare breaks.I believe they wished me the same happiness and devotion they shared, when they set me up with a couple of "blind dates," over subsequent months.He will be truly missed.

“ Dear Ann, Kerry, Bill, Kevin, Jim and all the Kelly and Glavin clan in Albany, It was an honour to have known Bill. His passing will indeed be a loss to you, but also in a very real way to all of us. What impressed me most was his evenness in dealing with everyone. And his quizzical smile. And his dead-pan story-telling. I remember him once describing a canoe trip which involved falling in and being caught in the canoe. All dead pan; sounded dangerous, but I didn't know whether to treat it as edge of desperation, or a Huckleberry Finn episode. We will miss him indeed. Níor beidh a leithéad ann arís. (His likes will not be here again). Love and sympathies from Conor, Marje, Padraig, Sean, Conor and Tommy in Corracunna.

“ Dear "Aunt Ann & the Cousins" (as I always refer to you guys when talking to Colleen). I was so sad to hear about Uncle Bill. What a kind and warm-hearted man with that sly bit of mischievousness. I so enjoyed our parade day or other random Glavin family event chats. I loved a good Uncle Bill hug and appreciated when he would distract Aunt Ann from her mission to find me a husband. :) I am out of the country so I won't be able to make it to the services but I will be thinking of all of you and sending so much love. I hope all of the wonderful memories can ease the pain a bit for you all. I'll raise a glass this weekend in his honor. ~ Love, Melissa Slater

“ Dear Ann, Kerry, Bill, Kevin, Jim and all the Kelly and Glavin clan in Albany,

We are very sorry to hear of Bill's passing. May we offer our deep sympathies to you all.

Bill really valued family. And he always made the Irish cousins welcome in his house, from my first visit to the States (in '82) with my mother, and several times since. He was such a pleasant man, always helpful and no fuss. Thank you Bill.

The cousins here always enjoyed the visits 'home' to Ireland. The elder Glavins instilled a great bond between us. That bond will always be there.

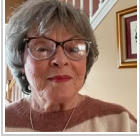

The memory of Uncle Patrick recalling stories to us during his visits comes to mind. I was reminded of his story of Glavin's Anvil recently, when I read about it in a book about Mitchelstown.

Please accept our condolences for the loss of the lovely man that Bill was.

Ar Dheis Dé go raibh a anam.

“ *I remember Mr. Kelly giving us rides back home from SUNY Oneonta and he was always friendly and often had a funny story to tell. Some years later I remember visiting Kerry at St. Peter's when Maddie was born - I was newly pregnant at the time and Mr. Kelly gave us a tour of St. Peter's maternity ward so I would know what to expect! He was beaming and so proud to be a Papa for the first time!*

Mrs. Kelly, Kerry, Bill, Kevin, Jim, and your families- I am so sorry for your loss and I hope your memories bring you peace. Take care.

“ Heart felt condolences to Ann, Kerry, Bill, Kevin, Jim and all your extended families. Will always remember Bill's kindness and stories. He was always so welcoming to the Irish Cousins and loved getting the tour of Voovesville from Bill when we visited. Will remember our first trip to the US on J1 visa and how pleased Bill was that I brought an "O'Kelly" with me. Last time we visited with the boys he was so good and kind to them and he and made sure the boys got to experience the delights of American doughnuts and Kelly house gathering. He was a special person and made the world a better place everyday through his actions. May he rest in peace, all our love Mairead Gabbett, David O Kelly, Michael, Oisin and Sean

“ I have been very blessed in this life to have had a wonderful and kind father in law. The first time I met Bill was at the Voorheesville 100th anniversary party at Smitty's. We had a great conversation, followed by a shot of whiskey...or something... and a song. He and my husband had a very strong bond, and he was the best man at our wedding, bringing us all to tears with his toast. He could always make you cry - he loved his family hard and wasn't afraid to show it. But I think his greatest claim to fame is just being "the Papa." Papa, you are forever in our hearts and will always be Adrienne's BFF.

“ Every hall monitor in guilderland high had a nickname that the student body knew them as. He was always Uncle Bill to the entire school. On my last day of high school, I gave him a hug and told him I'd see him soon and all my friends asked.... "why are you hugging uncle bill?" I said because he's my uncle Bill. They said yes we know he is uncle Bill and I said...no he's MINE. He's MY Uncle. And that was the day the entire student body learned how he got his nickname.

Love you UB. Forever blessed to have known and love you.
