“ *I just learned of Bill's passing, two years after the fact. Bill and I were best friends in high school but we drifted away as he went to Siena and I went to college in Newark. I had many great adventures with Bill and I'm glad we survived them all. Bill had a deep commitment to social justice and he was a fierce fighter for it. Initially I did not recognize Bill in his picture, but both of us had long since lost our high school haircuts. But when I saw his smile, I saw my old friend. My best wishes to Bill's family. They have a husband, dad and grandfather to be very proud of.*

“ *I'm very sad to hear about Bill's passing. When I was a young lawyer living on Grove Avenue, in the early '80's, Bill often gave me a ride into work, and I remember him as a very kind & funny person. He was also a brilliant lawyer, and he and I had quite a lot of fun on several legal cases. He will be greatly missed! - My deepest condolences to the family. “ Dear Carol and the Family,

*It is hard to even know where to begin, so I will start by saying my heart is awfully heavy and I will sure miss playing golf with Bill in the K of C League next year. But more than that, I could not begin to tell you all the ways Bill has helped me over the years, figuring out how to be a good County Legislator, a good CYO coach at St. James, and always willing and able to help me be a better attorney. I am sure that despite the sadness and pain of the hole in your hearts, the memories of his love and devotion to all of you, his well loved family will sustain you through the tough times.*

“ Dear Carol and your beautiful family: Where does one begin to share the memories of a wonderful friendship that I had with Bill. The respect and honesty he held for those he dealt with was, without a doubt, cherished by all. He and Frank were like "brothers" to me over the years. Always there! Carol you and your family were the light of his life --  
he just lit up when he spoke of you. Bob joins me in expressing our deep sympathy to all of you. Thank the Lord for the years of memories!! You will have those forever.

“ Carole - Bill's passing is a great loss to everyone who was privileged to know him. On a personal level, I grieve losing a confidante and dear personal friend.  
Throughout all the years I have known Bill, he always showed himself to be the epitome of the devoted husband, father, lawyer; as well as a caring and empathetic friend who had a boundless concern for doing good for others. “ *I am so sorry to hear of Bill's passing at such a young age. We worked together for many years both in the legal profession and in politics and I will always remember him as a man of integrity, frankness and humor. He was someone you could count on under all circumstances. But above all, he always made it clear that the the thing that mattered most to him was family.*

“ *I had the pleasure of getting to know Bill when I worked as special counsel to Mike Hoblock when Mike was Albany County Executive. This was a part-time position for me and I was also tasked with providing legal advice to the minority Republicans in the County Legislature. Both of these roles often brought me into spirited engagement with Bill, particularly when we worked together on preparing drafts of the new County Charter. He was a man of his word and a man of integrity. He will be missed. I am sorry for your loss.*

“ Bill was a wonderful golf partner and consummate gentleman, he will be missed and always remembered. We were on opposing sides of the political aisle but that did not detract from our friendship for one another as Yankee fans, basketball coaches and K of C free throw contest volunteers. He was a man of his word and someone you could also count on. He loved his family and kids, grandkids, etc. He helped us with legal issues and was a wonderful attorney. God Bless and keep Bill Conboy, with all of our love from South Carolina sincerely Timothy and Karen Wyld.
