“ *I would just like to extend my deepest sympathies on Bill's passing. I worked with him for 2 years at Memorial as an intern, and it was my first experience in a pharmacy. I seriously didn't know which end was up, and Bill couldn't haven't been any nicer to me. He was helpful, patient and was always willing to answer my constant stream of questions. I'm not sure I would have made it through without his help. He was not only a terrific pharmacist, he was also just a great human being. I am very sorry for your loss. Mark Pelc (mapelc@live.com)*
