“ To the Nash family: I'm so sorry to hear about your husband and dad's passing. I'll always remember what a truly nice guy he was (especially when putting up with all of our teenage nonsense), and how he and Mrs. Nash made their house a home away from home for me and many others. Best wishes to all of you--I know how much he'll be missed.

We Little Knew

We little knew that morning, God was going to call your name, In life we loved you dearly, In death we do the same..... It broke our hearts to lose you, You did not go alone, For part of us went with you, The day God called you home... You left us beautiful memories, your love is still our guide, And though we cannot see you, Your always by our side... Our family chain is broken, and nothing seems the same, But as God calls us one by one, The chain will link again

My thought and prayers always..... Cheryll

*Jackie and the entire Nash family,
I am shocked and greatly saddened learning of Billy's passing. Bill was such a gentleman and a man of honor and respect. He truly was one of the greatest salesman I have ever know, everyone loved him, myself included. I am no stranger to the pain of loss and grief, but one thing I do know is Bill is in paradise and he we always be with all of you, watching out and protecting you. His new life has just begun as he returns back from where we all come from. If I know Bill he's probably sipping on a VO with Rick Mokhiber right now. He will be greatly missed by all of us for his smile his humor and his love that he openly shared with everyone. Until we meet again Bill, goodbye for now.*
