“ *Bill,*

I just learned of your dad's passing last night. I will always remember that shot he hit into the hole against me and my guest on the 6th hole at the Roost during Member Guest. Your father was a true gentle man and will be missed by all that knew him. My deepest sympathies.

“ So sorry for your loss. I have memories of taking the city bus to high school. Bill and I rode the same bus to our Catholic schools. He was such a very handsome man. I didn't know him well until he married my good friend Anne. Together they made a beautiful family. Our children played together and developed close friendships. Bill has a lot to be proud of with the wonderful family he created. My heart shares your sorrow. Arlene Haggerty (Olthoff)

“ *My best memory of Bill, was a great trip to Ireland with his brother Paul, son Bill and a few other friends. There was a lot of laughs on the great golff courses, most at the way we played, but most at the good company we were with. Many wonderful pictures remind me of the good time with Bill and family. Great dinners and drinks after gol for to rehash the good and bad shots, more bad then good. He will be missed but not forgotten. Rest in piece my friend, and may you break par on the big course in heaven.*

“ I am so sorry for your families loss. Bill was the definition of class both on and off the golf course and I will miss our chats. He was a staple of Shaker Ridge and the community and will be missed dearly!

“ I am so sorry for your all the families loss. When I first met Mr. Wasserbach my first impression was what a nice man, a gentleman, and a very interesting person to listen and talk with. I would say to myself what great shape he is in for his age and only wished I could be in his shape now at my age. I enjoyed very much the rides we would take to Hudson and to Avon, the time went so fast just listening to his experiences, listening to to 40's- 50's music on the radio. I was most impressed with his love for his family, how proud he was of all of them and how much they all meant to him. I am very lucky to have crossed paths with Bill Wasserbach.

PS. I am glad I never played golf with Bill due to the fact I know he would of beet my "butt".
