“ Riley was a part of life for myself, and most students of Albany College of Pharmacy, during our time there. Always friendly and willing to offer a few kind words, he was a great guy that I feel privileged to have gotten a chance to be around. I think every one of us felt like he was a friend to us, and we're all going to miss him. Until we meet again...

“ I spent many a long night at Ralph's with Riley. I'm not sure if I've ever met a more friendly person. The guy truly had a heart of gold, and was a father, or grandfather-figure, for us ACP kids. He will be missed.

“ Riley, I spent 30 yrs of cold nights and hot afternoons standing next to you with the rest of the guys from the cooler crew. You always made me feel like family. At the bar you were everyones brother. The TV show "Cheers" had nothing on our times at Ralphs. I wish I could have told you one more time how grateful I am for knowing you. Till I see you again.

“ I met Riley many years ago at Yezzi's where he taught me to bartend. He also taught many of us the importance of being humble and being a genuine person. He set a great example for the many people he encountered and be-friended along the way. A wonderful man and a true friend.##imported-begin##Mike Quinn##imported-end##
